MEMORANDUM

TO: Spring 2006 EGR 150 Students
FROM: Bill Fortney
DATE: 4/26/2006
SUBJECT: Problem Solving Homework #8

A key decision when pursuing an engineering degree is whether you want an engineering or engineering technology degree. This assignment will allow you to explore the difference between the two degrees. Using the websites listed below (and others if you want), prepare a write up describing the differences between engineering and engineering technology. Somewhere in your report, tell which field you think you are interested in and explain why. Please limit your write up to no more than one page.
