6. **Homework**: Homework will be assigned periodically throughout the semester. The last homework assignment may be due during the last week of classes.

   **Late Assignments**: Unless stated otherwise, assignments are due at the beginning of class on the designated due date. Assignments turned in within 24 hours of this time are considered LATE and will be assessed a 25% penalty. Assignments turned in after 24 hours will be marked and returned to the student, but no credit will be assigned. To allow for unforeseen circumstances, students are granted a one time exemption if an assignment is turned in by 5:00 PM on the designated due date. Exceptions to this policy may be granted for documented medical or family emergencies.

10. **Academic Integrity**:

   a. University policy on academic integrity: [Code of Student Conduct Policy (POL11.35.1)](http://policies.ncsu.edu/policy/pol-11-35-1)
b. By signing your name on either test or homework for this course every student implies the following statement: "I have neither given nor received unauthorized aid on this test or assignment"

c. Absolutely no collaboration is permitted during the tests. All the tests are closed book.

d. Each homework assignment must be completely your own. Zero grade will be assigned for particular homework for the first offence. Second offense will be reported to the Office of Student Conduct

11. Students with Disabilities: Reasonable accommodations will be made for students with verifiable disabilities. In order to take advantage of available accommodations, students must register with Disability Services for Students at 1900 Student Health Center, Campus Box 7509, 515-7653. For more information on NC State's policy on working with students with disabilities, please see the Academic Accommodations for Students with Disabilities Regulation (REG02.20.1) (http://policies.ncsu.edu/regulation/reg-02-20-1)

12. No Electronic devices in class: Cell phones are to be turned OFF prior to entering the class room. No exceptions. Use of laptops/other electronic devices during class is prohibited.

COURSE LABS

Lab schedule and workflow:

Each lab (except lab #0) consists of:

a. Before the lab: Students will bring pre-lab homework (answers to several questions posted on Moodle along with the lab handout) and submit them at the beginning of their lab session.

b. Experimental part performed in groups of 5-6 students under the supervision of the lab TA and/or course instructor.

c. Data analysis report which is due to the lab TA according to the schedule below.

d. The report will be graded and returned by the TA according to the schedule below.

e. Final lab report is due according to the schedule.

f. The graded final lab report will be returned to students within a month of lab day (or before the final exam for the last lab).

*PULSTAR lab day: all NE400 students (and ABM) must show up at 8am outside the PULSTAR entrance (next to NE library).

- Doodle poll for the lab times (due 01/08/2015): [http://doodle.com/poll/rye6x47w2srg2ec6](http://doodle.com/poll/rye6x47w2srg2ec6)

- Each lab requires data analysis report (30% of total lab grade) and final report (70% of total lab grade).

- Absence of the pre-lab homework at the beginning of the lab session results in 10% penalty of the lab grade.

- Student absence (w/o prior arrangement) from the assigned lab session results in 50% penalty for the particular lab grade.

COURSE PROJECT (NE500 and ABM only)

- Specific topic will be assigned by March 2.
- Progress report due April 1.
- Final project report and presentation due April 20.
